TRANSPORTATION

Centrally located in northern Alabama, Birmingham is easy to get to by any mode of transportation—something that wasn't as easy for the early settlers of the 'Old Southwest.'

Planes: Birmingham-Shuttlesworth International Airport (www.bhamintlairport.com/) is Alabama's largest airport and serves the greater Birmingham area. It is served by many of the nation's major airlines including America West, American, Continental, Delta, Southwest, United Express, and U.S. Airways.

Trains: Birmingham is on the Amtrak line that runs from New York to New Orleans. The Amtrak station in Birmingham is located a short distance from the Sheraton Hotel and the Birmingham Convention Center (1.1 miles) but is probably a taxi ride rather than a walk.

Buses: Greyhound Lines provides bus service to the Birmingham area.

Automobiles: If you plan to travel by car, Interstates 59 and 20 intersect Interstate 65 in Birmingham. As a crossroads, Birmingham is located 140 miles from Atlanta, Georgia; 214 miles from Jackson, Mississippi; 236 miles from Knoxville, Tennessee; and 206 miles from Mobile, Alabama.

Airport Transportation

Transportation to and from the airport is complimentary with the Sheraton Hotel shuttle.

Parking

A 1,000 space parking garage is adjacent to the hotel for \$12 per 24 hour period with in/out privileges. Valet parking is available for an additional charge.

Librarian's are invited to register for the entire FGS conference.

About Librarian's Day

From an idea conceived by a dedicated group of public librarians in 1996, the Librarians Serving Genealogists (LSG) steering committee was launched; culminating in the idea of having a Librarian's Day at national genealogical conferences. An industry leader in the library information space, ProQuest began sponsorship of Librarian's Day at FGS conferences with FGS 2002 in Ontario, California. Since then, the program and events quickly became a librarian favorite and the number of attendees has steadily grown. ProQuest is pleased to once again sponsor Librarian's Day on 29 August, 2012 in Birmingham, Alabama.
